SUPER GUIDE

Mission Objective

Real superheroes don't need fake stuff to feel strong. Say "NO" to anything that harms your body or brain. Drugs, vapes, and alcohol steal your power—your shield is saying no with confidence!

Instructions

You will get messages from supervillains and superheroes. It is your mission to write your reply in the search bar. Replies will change based on the different messages.

Instructions

Once you reply to all the messages, you will earn your Unbreakable Hero Badge! There will be two examples for you. Remember, there are always better things to do than drugs, vapes, and alcohol. Good luck!

No! That's dangerous!

Hello there fellow Superhero! I found some drugs that might give you super strength. Want to try some?

-Your Enemy

Sure, sounds delicious!

Hello Captain! Would you like to go and have ice cream with your crew later?

-Your Teammates

Remember, don't get pressured into doing drugs, vapes, or alcohol.
